**Sponsor:** Ashley Ruocco  
**Where:** National Nuclear Security Administration North Las Vegas (Losee Road) Facility Main Gate Entrance: 232 Energy Way, North Las Vegas, NV 89030  
**Building B3, Conference Room 125**  
**NSTec POCs:** Andy Gile 702-295-7438, [gileal@nv.doe.gov](mailto:gileal@nv.doe.gov)  
Brian Barbero 702-295-6325, [barberbj@nv.doe.gov](mailto:barberbj@nv.doe.gov)  
**Badge Office:** 6:30am to 4:30pm  
**Cafeteria Hours:** 6:30am to 1:00pm

Badging Requirements

1. To enter the facility attendees must use the Main Gate Entrance at 232 Energy Way. Stop at the Badge Office - Building B-3 (first building on right at 232 Energy Way) to receive a temporary badge for the period of your visit.
  - **EXCEPTION:** If you have a DOE-issued HSPD-12 credential, you may bypass the Badge Office. All other HSPD-12 credentialed personnel and site-specific badge holders must stop at the Badge Office.
  - If you registered prior to the event, your access paperwork is complete
  - If you did NOT register prior, there will be a delay
  - If you do not have acceptable identification, you will be denied access. Please see the **REAL ID Act** attachment for acceptable identification.
2. Each time you enter the facility, you will be required to show your identification and temporary badge to the Security Police Officer (SPO) at the main gate.
3. Badges must be worn above the waist in plain sight at all times. If you lose your badge, contact your NSTec POC immediately.
4. Your temporary badge will be issued for the duration of your visit. At the time of your final exit, return the badge to the blue badge drop box at the guard station. Should you forget, contact the NSTec POC.

General Considerations

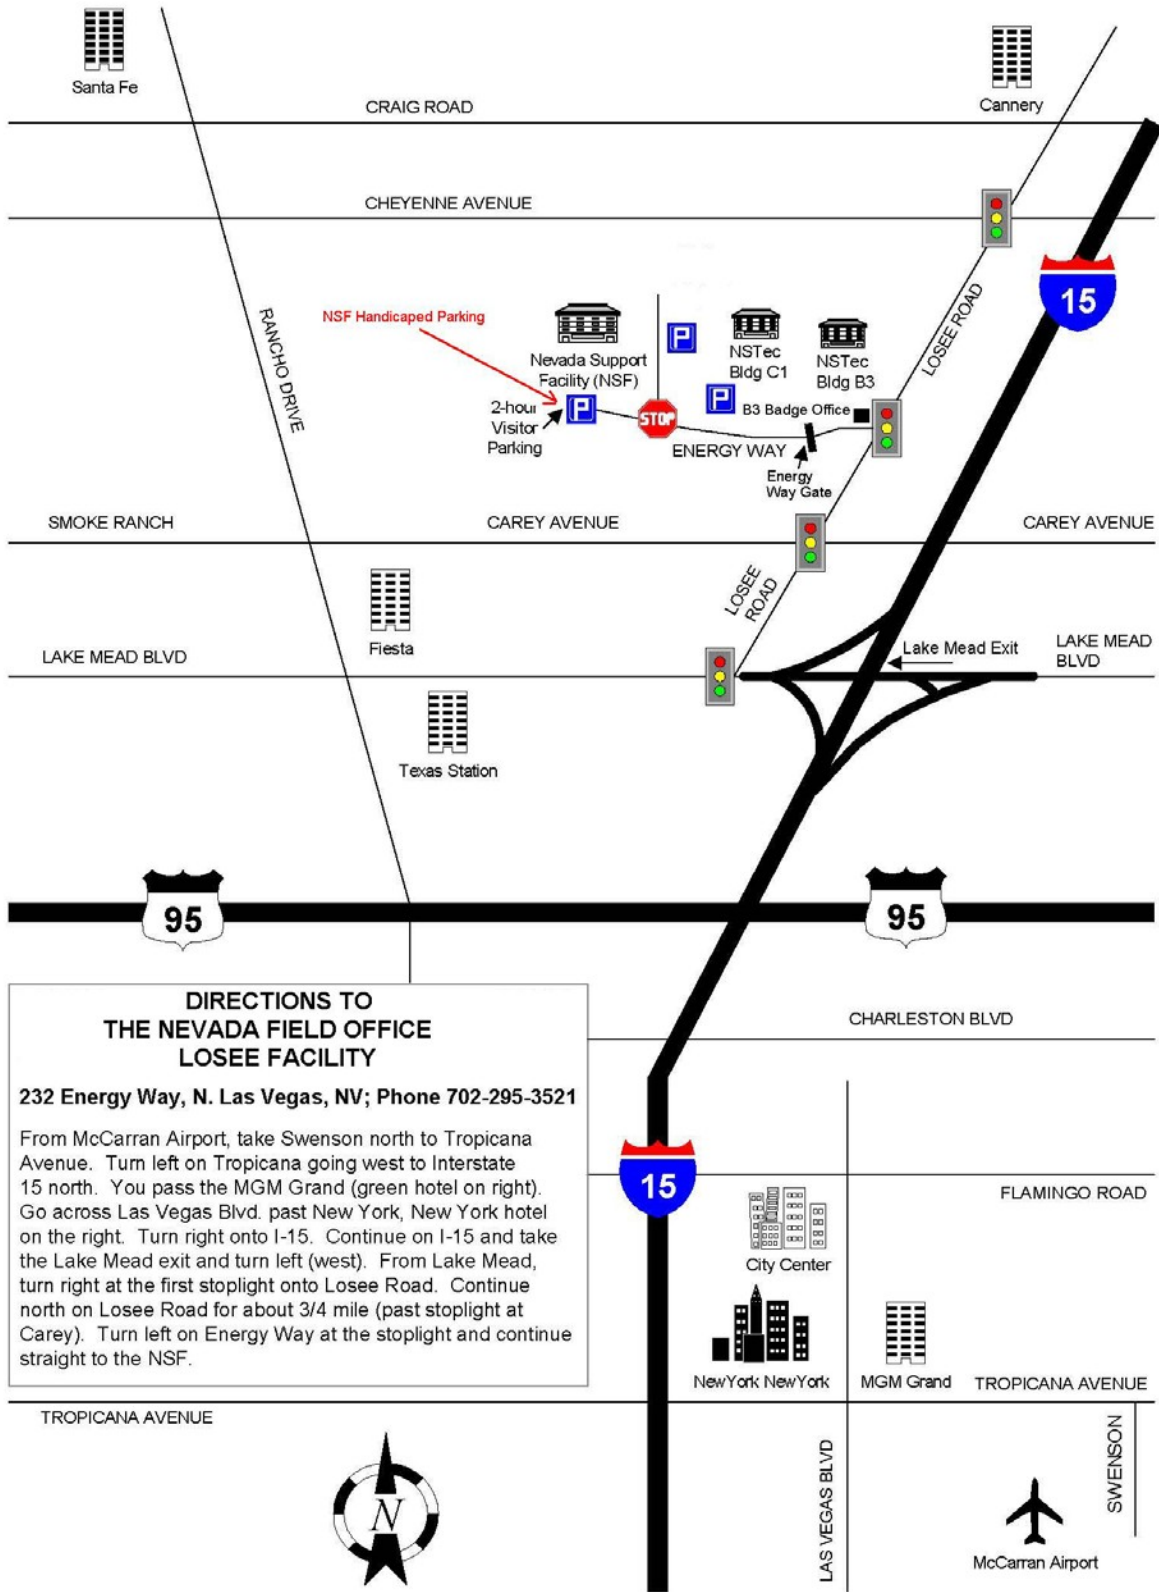

Meeting locations and cafeteria are on site. Please refer to the attached, **Prohibited and Controlled Articles and Electronic Device Acceptable Use Policies** to see what is permissible on site. The most frequently asked topics are summarized below.

- Only Authorized devices may be connected to any Nevada system or resource other than authorized projection systems and designated internet-only connections and only by a Nevada IT Support Specialist.
- Personal, company, and government cell phones with cameras are allowed in the Property Protection Area (PPA).
- Bluetooth headsets are permitted. However, any audio or video recording functions may not be used.
- Stand-alone audio or visual recording devices may be kept in your vehicle, but may not be used. If you wish to have audio or visual recordings, contact the NSTec POC who will arrange for an authorized operator with equipment to support you.
- Personal, company, and government laptops, notepads, MP3 players, and other computing devices and peripherals are allowed in the PPA. Audio and video recording functions may not be used.
- 3G and 4G enabled devices are permitted in the PPA. Guest WiFi capability is not available. Establishment of a mobile WiFi hotspot using a smartphone, iPad, Verizon Jetpack, or similar device is NOT permitted and the function must be deactivated while on property.**
- If you plan to use a Nevada computer system for your presentation, a Nevada IT Support Specialist must load the presentation onto the meeting room computer. **Presenters must e-mail presentations in advance to the NSTec POC who will arrange for loading onto the meeting room computers.** Do **NOT** attempt to install any storage medium (e.g., flash drive, hard drive, CD) yourself – introduction of unauthorized media will result in an immediate Cyber Security response.
- If you plan to use your own laptop to connect to a Nevada projection system or you will need internet access, let the NSTec POC know to arrange for appropriate technical support.
- Please bring any presentation handouts with you or mail ahead. Our ability to make copies for you is limited. Contact the NSTec POC for mailing instructions.
