

John M. Bukowski

North Wind Group

John has 22 years of experience in environmental management, nuclear facility operations and maintenance, engineering, and construction. Since joining North Wind in 2000, he has served in executive positions including Chief Business Development Officer and President of subsidiary firms North Wind Solutions, LLC and Portsmouth Mission Alliance, LLC. John has corporate responsibility for over \$325M in prime contracts with DOE-EM at Portsmouth, Oak Ridge TRU Waste Processing Center, West Valley, Office of River Protection, Paducah, and DOE-EM Headquarters. He also has corporate responsibility for \$75 million in Department of Defense contracts with the Joint Chiefs of Staff and Naval Supply Systems Command at the Pentagon and other east coast locations, the Navy Space and Warfare Command and Customs and Border Protection on the west coast, and several Army Corps of Engineers Districts.

John serves as a Managing Board Member on subsidiary companies Facilities and Infrastructure Alliance, LLC and North Wind Neu Security Services, LLC. Prior to joining North Wind, John was employed as a Senior Scientist for Parsons Infrastructure & Technology and Lockheed Martin where he managed environmental remediation and research and development programs at the Idaho National Laboratory.

John holds an active Q Clearance with DOE and a Top Secret Clearance with DoD. He is a registered Professional Geologist and Project Management Professional accredited through the Project Management Institute. He has a B.S. from Susquehanna University, an M.S. from Wright State University, MBA from University of Tennessee (2017), and has completed Dartmouth College's Executive Education in Leadership and Business.
