SSWG Participation

- Participation from all NNSA and most DOE sites
- Majority of business conducted via email and phone
- Membership prefers face-to-face meetings over VTC format to facilitate break out sessions

FY17 Key Achievements

- October 2016 meeting at Y12
 - 80 security professionals, from 13 federal organizations and 21 contractor organizations, including joint meetings for the NNSA MC&A Implementation Panel and the Protection Program Implementation Panel
- April MC&A sub-group meeting with NNSA Implementation Panel at NTC
- June 5 Best Practices Challenge

FY 2017 Upcoming Focus Areas and Planned Achievements

- Building relationships with ongoing complex initiatives to identify where EFCOG SSWG can help/promote efforts
 - Example: February campaign visit with federal counterparts
- Enhance interaction with member companies and other working groups
- Fall season SSWG meeting

Best Practices Development Status and Plans for FY17

- IOSC Categorization
 - Committed in FY17 Annual Plan, on schedule.
- Material Surveillance
- Protective Force Staffing

Challenge for Tuesday, June 5: Write a best practice in a one-day focused session.

Looking ahead to FY18

- Expand benchmarking to companies outside DOE/NNSA mainstream
- Continue to challenge best practice focus sessions
- Enhancement of contact lists
- Engagement with other working groups and complex-wide initiatives

Issues

- None to escalate
