Task Group)							
Task Sheet Numbe	er RE-15-04	Task Closed Date	3/7/20	16				
Task Title Peer R	eview							
Task Description	on The Peer Review Process utilizes volunteer members of the Regulatory & Enforcement Subgroup to perform focused reviews on other EFCOG contractors and subcontractor members' noncompliance determination and reporting programs associated with the Price-Anderson Amendments Act (PAAA). Worker Safety and Health (WSH) and Security programs, utilizing a standard, defined set of criteria that is consistent with the expectations of the HSS Office of Enforcement.							
	 The objectives of the process are to: Provide assessments on behalf of the requesting organizations of the PAAA, WSH, and Security noncompliance determination and reporting programs utilizing Department of Energy published assessment criteria. Dese the information gained from conducting the peer reviews to promote on-going improvements and lessons learned for contractor and Department of Energy organizations across the DOE complex. 							
		nted in an assessment report.
