

Amy Basche

Candidate statement

Amy Basche is the President & General Manager for Hanford Mission Integration Solutions at the Hanford Site. Amy has over 30 years of DOE experience at the Hanford Site in various roles including operations, integration, and executive leadership. Amy has been an active member of EFCOG for over 20 years in which she has been instrumental in numerous improvements across the complex especially in Earned Value Management and serving as the chair for the Project Delivery Working Group over the past 5 years. Amy has supported the DOE customer both locally and DOE-HQ in key project management initiatives and improvements and has engagement with other working groups due to the broad scope of work that she manages on a day-to-day basis including the Training Working Group, the Safety Working Group, and the Safeguards & Security Working Group. Amy would be an asset to the board due to her dedication to the mission of the Department of Energy, her broad scope of experience and her many years of dedication to the EFCOG organization.
