

Mike Rinehart

Candidate statement

I'm honored to be considered for a position on the EFCOG Board of Directors. Throughout my career, I've been passionate about building strong teams, delivering complex projects safely and efficiently, and advancing the mission-critical work that powers our communities. As president of Kiewit Nuclear Solutions, I've had the privilege of helping grow a team focused on innovation, alternative delivery models, and collaboration across the nuclear sector. I believe EFCOG plays a vital role in shaping the future of our industry through knowledge sharing and continuous improvement, and I'm excited about the opportunity to contribute to that effort. If elected, I'll bring a practical, field-focused perspective along with a deep commitment to operational excellence and cross-industry partnership. I look forward to serving and learning alongside this incredible community.
