

## Carla A. Cernigliaro

**SVP, GOVERNMENT SERVICES & SOLUTIONS**

---

Carla Cernigliaro serves as Senior Vice President of Government Services & Solutions (GS&S) within the Health & Services sector at Leidos. In this role, she leads a broad portfolio of complex federal programs supporting nuclear security, energy, environmental, cyber, information technology, and scientific priorities. She is responsible for strategic direction, operational execution, financial performance, and delivery excellence across highly regulated government environments.

Prior to her current position, Carla served as Senior Vice President and Chief Financial Officer of the Commercial & International (C&I) sector at Leidos. She oversaw finance, supply chain, and business operations across global portfolios serving government and regulated commercial customers, including those in the energy sector.

Previously, Carla served as Senior Vice President and Chief Financial Officer of Leidos' Civil sector, leading financial planning and performance management for programs supporting U.S. government and commercial clients in technology, operations, energy, and security.

Carla also served as Vice President of Finance & Business Operations for Leidos' Military & Veterans Health Solutions Operation, where she was instrumental in the execution of several key contracts including DoD Healthcare Management System Modernization (DHMSM) and the securing of the Military & Family Life Counseling (MFLC) contract. Carla has held a number of roles of increasing responsibility from both her time at Leidos as well as Lockheed Martin, where she spent the first 15 years of her career.

Carla holds a Master of Business Administration with a concentration in international business from Drexel University and a Bachelor of Science in business administration with a concentration in Finance also from Drexel University.
