Candidate Statement

I am seeking my second term as an EFCOG board member. During my first term as an EFCOG board member, I also served as an officer, the Deputy Vice Chair. EFCOG is a great organization that connects companies and individuals who have much in common. My goals have been and continue to be increasing the awareness of the value EFCOG brings to the DOE/NNSA sites, and ensuring our members are well served. Thank you for the potential opportunity to continue to contribute!
