I hope ya'll are staying safe.

Thanks to all who participated in last week's EFCOG Supply Chain Quality Working Group web-ex meetings on Tuesday thru Thurs as well as yesterday's SCQWG monthly web-ex.

Thanks to Julie Snelling, attached are meeting notes from last week's meetings as well as the attendee list. We had fifty-five (55) attendees on Tuesday, 30 on Wed, and then 25 on Thursday.

I have also attached the slides from yesterday's EFCOG SCQWG monthly web-ex. Unfortunately Julie didn't have internet service yesterday so she wasn't able to give us notes. Here is a couple of interesting notes I took from yesterday's meeting:

- LANL has had a COVID-19 related death
- Kristin Bell, SNL will enter your site's suppliers into the MSL for you so you don't have an excuse for not entering them.
- The PSL is working with Kristin to get the PSL's approved suppliers entered into the MSL.
- Per Christian Palay, DOE-HQ, the Feds are having a web-ex on 12/8 regarding Remote Audits, Joe Fulghum, SRS and Jim Ziemba, NQA-1, have been invited to participate. This will primarily be for Feds only.
- Dennis Owens to talk to Andi Rainer to make sure NNSA is attending.
- Dennis Owens, SNL is working on a Remote Assessment presentation, they performed their 1st Remote audit.
- Joe Fulghum is drafting a proposal to have his entire audit schedule shifted out nine (9) months, however he is looking at each supplier on a case by case basis.
- DOE's Organizational Excellence web-site is available at: <https://orgex.energy.gov/>
 - You register, you should be able to access the QA Community of Practice page at:
 - <https://orgex.energy.gov/forums/qa-community-practice>
 - Here is the FTF page: <https://orgex.energy.gov/forums/hepa-filter-poc>
- These individuals are interesting in obtaining their Lead Auditor Certifications and willing to participate on audits free of charge (i.e. they will pay their own way):
 - Amber Romero SNL; allewis@sandia.gov
 - Sherri Auckland, LANL-Carlsbad Operations; sauckland@lanl.gov
 - Surendra Tiwari, PPPL; stiwari@pppl.gov

Stay safe my friends,

Bill

At times our own light goes out and is rekindled by a spark (smile) from another person. Try to be that spark for someone else.
