Absolutely! Sharing and collaborating make us all better.

Although I don't know if there is anything specific from this monthly learning opportunity, I think there is value in attending to pick up good information. I would recommend others attend the monthly learning opportunities to see what collaboration we can all benefit from.

Great opportunity to keep the conversation going.

Community building

always useful information in these meetings

Nice to be able to collaborate and see where we are in moving forward with our interests at our Sites.

Not everything is applicable to all Training roles, but this covered a very large number of them.

Thank you

Great job!
