# Goals for Course Efficiency

- Common course and resource development and accessibility
- Identify 2-3 courses for development
- Work with sites, other EGCOG groups and NTC to develop courses and provide for use.

# Breakout Sessions

- Break into four groups to make progress in meeting the goals.
- You will be assigned a group and will meet for approximately 60 minutes with a facilitator who will take notes and later report the results at the end of the day.

# Breakout Sessions

- Group 1: Prioritization list of courses with volunteers & resources
  - Broadest need across complex
  - Limited SME skill set
- Group 2: Instructor qualification requirements and availability of instructors
- Group 3: Improvement of record sharing
- Group 4: Reciprocity of courses, ownership, and best practices
