

Training Working Group Update

May Learning Opportunity Meeting

Monday, 23 May 2022

Shayne Eyre, INL | Rachael Kumar, SRS

David Yakonich, NNSS

Webex meeting recording: **EFCOG TWG May Learning Update-2022-05-23**

Password: **MayTWGupdate2022-05-23**

Recording link: <https://nss.webex.com/nss/ldr.php?RCID=ac4df731a1ccedd8bc6a4a15c3cdedeb>

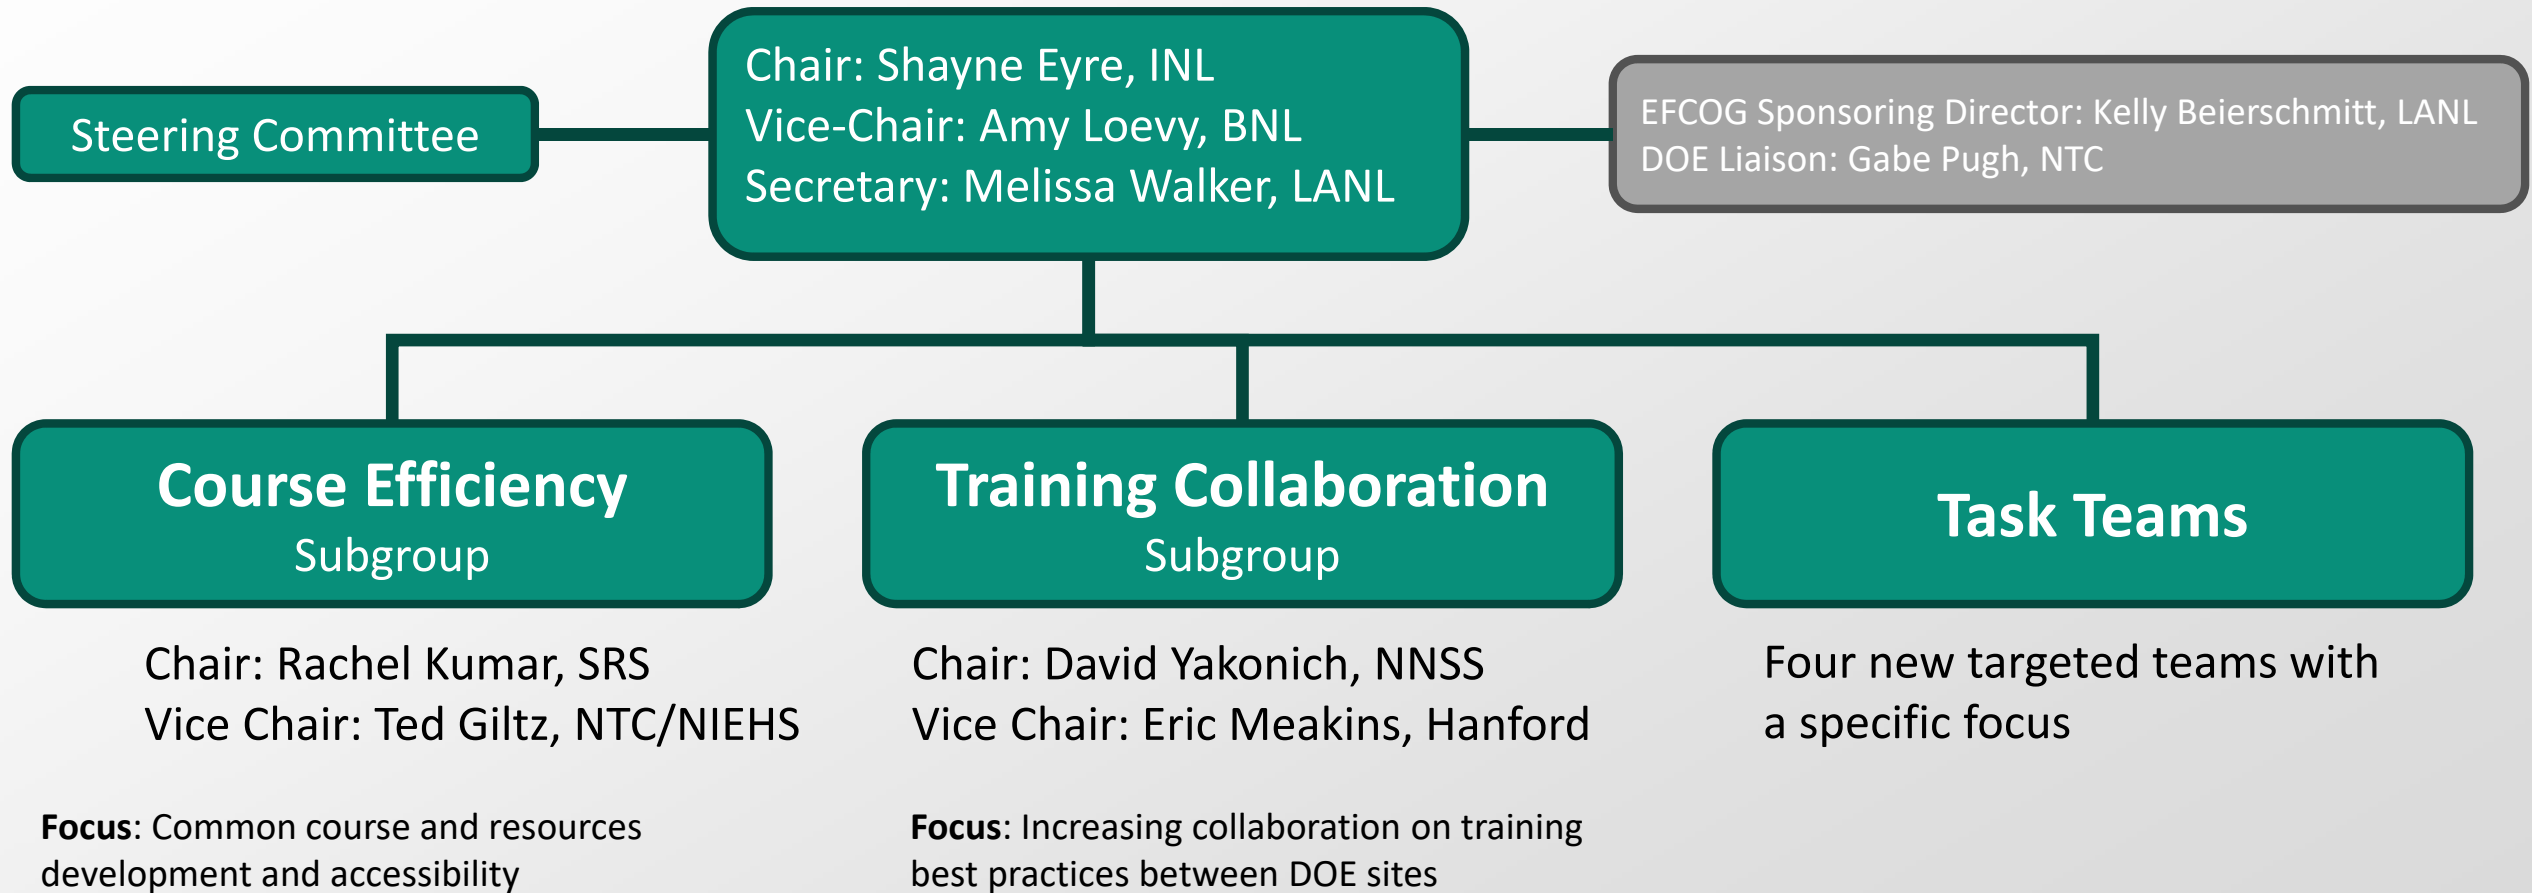

Agenda

- Training Working Group Structure
- Subgroup Update
 - Course Efficiency
 - Training Collaboration
- New Task Teams
- Next Steps Review

Training Working Group Structure

Course Efficiency Subgroup Update

- **Focus:** Common course and resources development and accessibility
- **Current goals:**
 - Collaboration to improve course consistency & delivery
 - Support Project Management Bias course development

Course Efficiency Subgroup Update

Collaboration to improve course consistency & delivery

- Leveraging a related value stream analysis to better define priorities
- Four focus areas:
 - Standardize pilot courses
 - Reduce duplication
 - Improve instructor access and
 - Improve sharing of training records

Course Efficiency Subgroup Update

Support Project Management Bias Course Development

- Email requesting ID (instructional developer) support coming out this week
- Prefer 1 primary and 1 backup
- Need ID names/contact info ASAP-
 - SMEs are ready
 - Content is ready

Training Collaboration Subgroup Update

- **Focus:** Increasing collaboration on training best practices between DOE sites
 - Annual Meetings
 - Monthly learning opportunities
 - Community sharing platform
- **June Monthly Learning Opportunity**
 - CARDS Overview and Use Case
 - Monday, June 13 at 1 pm ET

*Mark your
calendars for our
next Monthly
Learning
Opportunity!*

Training Collaboration Subgroup Update

Future Monthly Learning Opportunities

- Onboarding best practices
- How to handle brain drain
- Needs of a new generation of learners
- Creating Microlearning
- Pilot User Groups
 - WebEx User Group
 - MS Teams User Group

Training Collaboration Subgroup Update

Community Platform Task Team

- Partner with NTC on identifying platform that can be used to store files, communicate across community, and networking
- Use existing vendor relationships (WebEx, Microsoft, EFCOG Website)
- Consider external platforms (Slack)
- Pilot and rollout

New Task Teams

- **Training Regulation Development**

- Lead: Brandon Andrus
- Focus: Assisting DOE in developing and implementing training regulatory improvements

- **Learning Technology**

- Lead: TBD
- Focus: Develop best practices in use of learning technology, including VR/AR

- **Workforce Development**

- Lead: TBD
- Focus: Develop best practices on relations between business, local schools, etc.

- **DEI in Learning**

- Lead: TBD
- Focus: Develop best practices in how training can support diversity, equity, and inclusion

Next Steps Review

- Look for email on “Project Management Bias Course Development” and volunteer with Rachel Kumar (Rachel.Kumar@srs.gov) if you would like to be a developer.
- Look for invitation to June Monthly Learning Opportunity on CARDS.
- Contact David Yakonich (YakoniDA@nv.doe.gov) if you have a success story to share during our remaining Monthly Learning Opportunities (see slide 8 for list).
- Contact David Yakonich (YakoniDA@nv.doe.gov) if you are interested in joining Community Platform Task Team.
- Contact Shayne Eyre (Shayne.Eyre@inl.gov) if you are interested in joining any of the new Task Teams: Training Regulation Development, Learning Technology, Workforce Development, or DEI in Learning.
