

Savannah River Site Visitor Guide

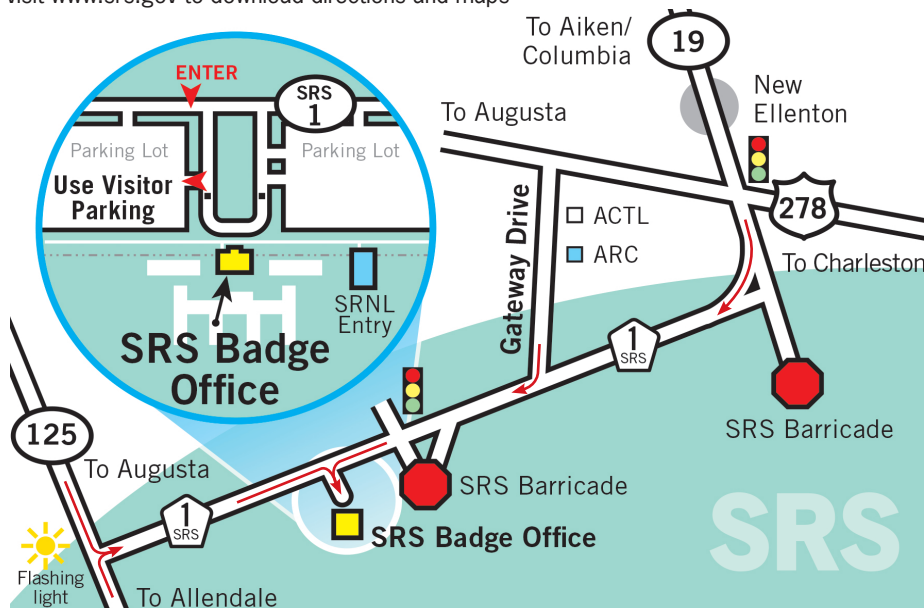

ENVIRONMENTAL STEWARDSHIP • NATIONAL SECURITY • SCIENCE AND ENERGY

The Savannah River Site

SRS is a 310-square-mile site located near Aiken, S.C., on the Savannah River, which borders South Carolina and Georgia. SRS covers 198,046 acres, including parts of Aiken, Barnwell and Allendale counties in South Carolina. The SRS annual budget is approximately \$2 billion, with a workforce of about 11,000.

Directions: Access to SRS is restricted to badged personnel only. In most cases, a visit to SRS or Savannah River National Laboratory (SRNL) starts at the SRS Badge Office - located in Building 703-46A (just off of SRS Road 1). See map below. For more precise directions input 33°20'39.8"N 81°44'28.3"W into your GPS or preferred internet map service or visit www.srs.gov to download directions and maps

Badge Office Hours

Mon-Thurs . . . 6:30 a.m. – 4:00 p.m.
Fri 6:30 a.m. – 3:00 p.m.

SRS Visitor Guide

ENVIRONMENTAL STEWARDSHIP • NATIONAL SECURITY • SCIENCE AND ENERGY

Site Contact

All visitors to SRS should have a SRS-based Point of Contact or host who is responsible for your visit. Your host will make arrangements for your visitor badge in advance.

Your Safety at SRS

Your safety is very important to us. You are required to report any potential injury to your Site Point of Contact.

Appropriate Clothing and Footwear

All visitors to SRS are expected to wear appropriate clothing and footwear for the job site. Shorts and flip flops are not to be worn at SRS. All shoes must be affixed to the foot and include, at minimum, a backstrap. For more information about the dress code for your visit please contact your SRS Point of Contact.

Prohibited Items

The following items are not allowed inside the site boundary:

- Firearms (including toy or simulated guns) and ammunition (concealed weapons permits are not honored on SRS property)
- Blades 2.5 inches long or longer
- Stun guns
- Alcoholic beverages
- Explosive materials (accelerants)
- Unmanned Aerial Systems (drones)
- Illegal drugs (including CBD Oil) and items prohibited by state and federal law
- Prescription drugs outside of the original prescribed container, or expired prescriptions
- Synthetic urine

Many areas on site prohibit electronic devices, including cell phones, tablets, personal fitness devices (such as FitBits), smart watches and medical devices that are Bluetooth-enabled. Your host will discuss the specific limitations of the areas you are visiting.

Centerra-SRS personnel are certified law enforcement officers.

Driving rules and hand-held electronic devices

Driving: Traffic safety laws are strictly enforced at SRS. Obey posted speed limits and traffic signs on SRS roadways and parking lots. If you become lost, stop where it is safe to do so and ask for directions or call 3-3911 from a Site landline or 803-725-1911 from a cell phone.

Hand-held electronic devices: SRS is a hands-free site. Pull off the road when it is safe and park before using any device that may cause distraction.

SRS Security

To protect workers and government property, SRS maintains a high level of security. At SRS, you will encounter Centerra-SRS Law Enforcement Officers in numerous locations. Understanding our security practices will help your visit go smoothly.

Any person convicted of a security violation is subject to federal penalty or punishment. Visitors to SRS who encounter security problems must advise their SRS host/escort.

Identification (ID) for Badging: All visitors must be badged through SRS Visitor Control, located in Building 703-46A. Individuals must provide one of the following current ID documents: U.S. Passport, REAL ID-compliant Driver's License (gold circle with white star), Enhanced Driver's License, HSPD-12 PIV Card or DoD Common Access Card (CAC) - except CACs with blue bar.

Visitor's who do not possess one of the above IDs will have to present two forms of ID before a badge can be issued. Current photo ID in the form of a driver's license or state or federally-issued ID is mandatory; the other form should contain your legal name (e.g., Social Security card, certified birth certificate, voters registration, etc.). Note: If you use a student ID with photo, you must also present a certified birth certificate and Social Security card. For a complete listing of required IDs, go to: http://www.srs.gov/general/tour/acceptable_id.pdf or call the SRS badge office at (803) 952-2343.

Escorts: Visitors must be accompanied at all times by an escort with an appropriate security badge when entering a security area. Please stay with your escort at all times. Visitors are not required to be escorted on the general Site Property Protection Area (PPA). Your site point-of-contact will identify these areas if applicable.

Vehicle Access to SRS: Visitors bringing a vehicle on SRS property must have in their possession a valid driver's license, proof of vehicle insurance and proof of registration.

Personal Property Inspections: Visitors' vehicles will be inspected at the Site barricade by Centerra-SRS and K-9 units. When you enter SRS control points, Centerra officers must touch your badge to confirm your identification. Also, they may inspect any of your hand-carried items.

Security On-The-Job: Personal and Government cell phones, tablets or other electronic devices can not be connected to SRS computers for any reason. Cell phone charging stations are available in select SRS facilities.
